St. Dunstan's Theatre
Guild of Cranbrook

Jan 20, 21, 27, 28, 29 and Feb 3 & 4, 2012

Georg and Amalia are two feuding clerks in a European perfume shop during the 1930's who secretly find solace in their anonymous romantic pen pals, never suspecting that they are writing to each other. Funny, intelligent, honest and sentimental, SHE LOVES ME has an endearing innocence and a touch of old world elegance, yet is as universal and relevant as ever in this age of internet romances.
